(gesturing to Hiccup)

RUFFNET

How can we defeat the dragons with this joker walking around?

HICCUP

I hit it, I swear-

TUFFNUT

This is just getting embarrassing-

HICCUP

Dad, I hit the Night fury-

STOICK

Hiccup, if you want to kill a dragon, you need to stop
all...this.

HICCUP

You just gestured to all of me.

FISHLEGS

Yes, yes he did.

ASTRID

(Eagerly approaches Stoick.

This is her chance!))

Stoick, sir-I mean Chief, I mean- I wanna be just like you. I
mean I know I can be just like you. I wounded at least seven
dragons today-

SUNGRASS

She literally slayed them-

FISHLEGS

Girl, slayyy-

(everybody looks at Fishlegs,
like, "dork")

Sorry.

STOICK

I'm impressed, Astrid. I'm keeping my eye on you.

BRITA

If she were his kid, he'd have someone to actually be proud
of.

DANE

Yeah, right, she's just another girl-

What did you say?!
ASTRID

Shut your pie hole, Dane-
BRITA

Shutting it. It's shut. This pie hole- said nothing.
DANE

Recruits? Go wrangle cattle that got lost in the fight.
STOICK

On it!
ASTRID
