TOOTHLESS

(a cappella; singing or humming to himself)

How to be free-

How to be me-

How to be free-

How to be me=

Boo.

MONSTROUS NIGHTMARE

Ahh!

TOOTHLESS

Toothless.

MONSTROUS NIGHTMARE

Houdini, buddy, hey-

TOOTHLESS

What do you think you're doing?

MONSTROUS NIGHTMARE

Singing? Walking and singing?

TOOTHLESS

It was more like frolicking....Definitely frolicking.

ZIPPLEBACK

I meant what do you think you're doing with the human?

MONSTROUS NIGHTMARE

Well, see, funny story- he's uh- making me a new tail?

TOOTHLESS

He's what?!

MONSTROUS NIGHTMARE

So in exchange-

TOOTHLESS

You're telling him our weaknesses?!

DEADLY NADDER

Wow, not cool. I mean the eel, the dragon nip-

THUNDERDRUM

SCAULDRON

The ear tickle!

MONSTROUS NIGHTMARE

Humans especially can't know about the ear tickle!

SCAULDRON

It brings us to our knees!

SKRILL

It melts us! It practically makes us-

MONSTROUS NIGHTMARE

(with disgust)

Pets.

TOOTHLESS

I told him we are not pets!

TIMBERJACK

If The Red Death finds out what you're doing- She'll kill you- Or make us kill you-

DEADLY NADDER

The whole thing gives me anxiety.

CHANGEWING

Last week I brought her two sheep from Berk instead of three and I got grounded for 48 hours!

SKRILL

You had to spend 28 hours in you cave?

CHANGEWING

No, she literally grounded me. No flying.

TOOTHLESS

But see I'm grounded now. And Hiccup wants to help. And The Red Death? I think maybe we try and...break free.

(all gasp except Toothless)

MONSTROUS NIGHTMARE

I refuse to be associated with this treason! Nightmares out!
(exits)

TOOTHLESS

Look. I'm still gonna go meet Hiccup, 'cuz I'm starting to think maybe..maybe some humans don't wanna kill us.

(exits)

CHANGEWING

Humans not wanting to kill us? Nah, they want us dead-

DEADLY NADDER

Or at least totally panicked. I've been having panic attacks for years-

CHANGEWING

Meditation has not helped.

ZIPPPLEBACK

Also? I miss going to the beach. We used to lay out all day, but now with the Vikings patrolling? I mean look how pale my scales are!

TIMBERJACK

Ew.

SCAULDRON

Hey, what would you do? If they didn't try and kill us and we didn't try and kill them and we all just...lived?
