

(HICCUP:) They're forced to fight and steal our food! The Red Death *does* rule the nest and she *makes* them—
STOICK: You've seen her?!

(STOICK)

You've been to the nest?!

HICCUP

Toothless... showed me. Only a dragon can take you.

STOICK

ASTRID

Yeah, why didn't you? The rest of us would've.

HICCUP

I just... couldn't.
